every minute. We will be waiting for you guys to help. This is the only thing I guess that can be done . . . General Wainwright is a right guy and we are willing to go on for him, but shells were dropping all night, faster than hell. Too much for guys to take. Enemy cross-shelling and bombing. They have got us all around and from the skies . . . From here it looks like firing ceased on both sides. Men here all feeling bad, because of terrific nervous strain of the siege. Corregidor used to be a nice place but it's haunted now. Withstood a terrific pounding.
