 friend B. B. Hayes

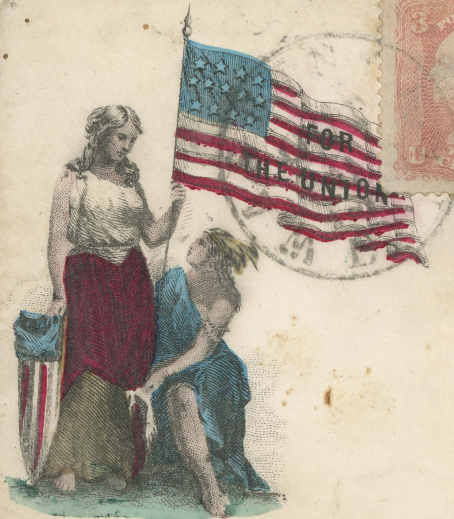

I have now set down to write
 you a few lines hoping that I
 will find you well. I am having
 a first rate time. I have tried to
 get my discharge so as to get in
 to the 9th Reg. but cannot make
 it out for they was afraid I would
 be a captain or a lieutenant. I was
 calculating to come out and see you
 Charley has a burn. Shall he was
 going to send by me. There has
 been two discharged out of our Comp.
 and they are lieutenants in the
 9th Regiment. we have got a Colonel
 that is a soldier every inch.
 of him he is out of the regular

army and is a going to make
regulars of us regular pups.
Charley was over here yesterday
and we had quite a littel chat
we are about miles apart now.
we haint had much fun
since the rebels left Munsons
hill their is going to be one
of the greatest drills over to
Washington to day ever known
in America. both of which
will be cavalry and artillery
Charley is as tough as coo and
likes soldering pretty well
it is rather stormy to day
but no cold wether yet.
I received your letter and I
thought I answered it
and was waiting for an
answer from you. no more
at present for news is rather
scarce here at present

pleas write when you have
an opportunity. from
your friend Owen Higgins
to Beeri. B. Noyes
