Dear Sir
Yours of Nov 25th
is at hand. I cannot blame
you for feeling disappointed in
not getting your money yet,
but I don't know that
I am to blame for it for I
have tried to do all I could
to have the matter adjusted from
the first. You are entirely wrong
in supposing I wished my brother
to succeed in getting a title to
that land. Mr Anthony probably
did not tell you just as it was

in regard to defending the
Sute. I saw Mr Anthony
yesterday he says he has demand
did his money of them and that
they are now in default and he
knows no reason now why
he cannot make the till good
I hope he will and that
we may soon have the
matter satisfactorily fixed up

Respect Ours C. S. Munson
