Dear Aunt,

Now do you all do today we are all well. Baby is
having a nice time alone she gobbles most of the time. I wish I could be
down there with you where there is no snow AND ARE SO MANY ORANGE TREES AND
VINEYARDS. Tell Aunt Abbie she could cool off if she would come up here
AND Ride down hill with us awhile, there is just enough snow on the ground now.
I learned to skate this winter, we had nice skating for awhile till it
snowed AND spoiled it AND we have had snow ever since. Will you each send
us three of your Autographs, we each got an Autograph Album Christmas.
Mrs Johnston gave them to us. This is all I can think of now so I guess
I will have to stop.

Yours truly
Sussie
