Addressed to Rev. ? Badger & Hall, New York, posted on June 28, 1845 in Green Bay, W.T. with a manuscript 25 for the postage rate of 25¢ from Green Bay to New York. The cover also bears a manuscript "paid 43" marking. It seems that this is not an indication of postage, but rather is an indication of a post office box at which the recipients receive mail and settle for postage charges. Note on back indicates it is to apply for $200renewed aid in support of Rev. Jeremiah Porter to go for 12 months from June 16, 1845. Rev. Porter was pastor of First Presbyterian Church (Brown County) from 1839 to 1857. From the Hank Schmidt collection.
